

5 Jump Speed Challenge 40cm

Put each jump 24feet (+-7m) apart, 40cm (top of pole) high.

Style, speed and a clear round will determine placings

+20 points for each jump cleared (total 160 points)

10 points per jump for style (total 80 points)

(Total 240 points)

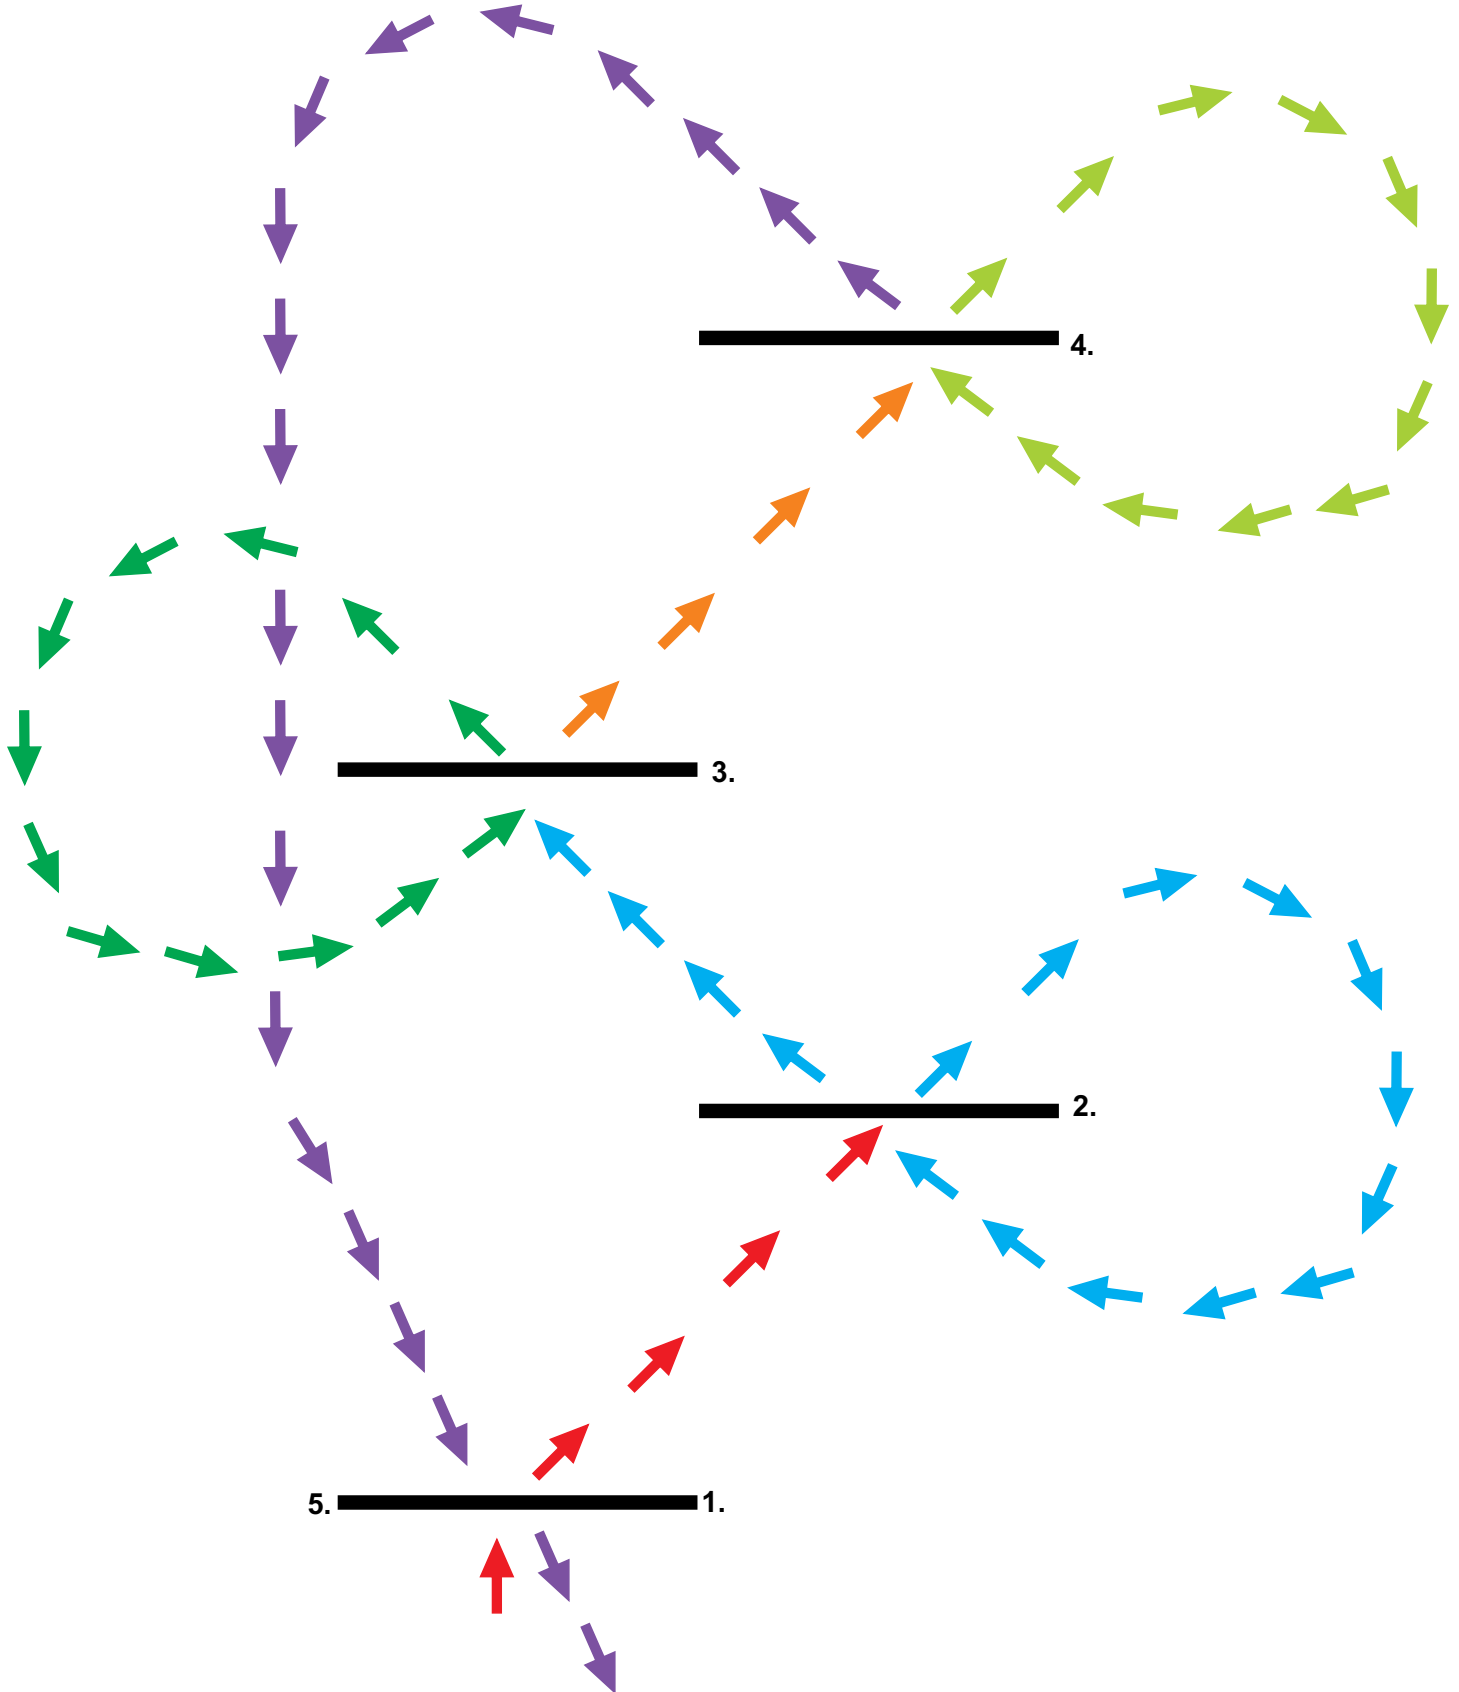

-5 points for each KNOCKED pole (possibility of losing 40 points)

-10 points for each DROPPED (knocked off) pole (possibility of losing 80 points)

Refusals will not be penalised with points as that will already add to your time.

Please start taking the video well before you go over the first jump and only stop recording well after last jump is done.
